Nuts NEWS

WELL, WE CAN ALWAYS DREAM!

Charles and Camilla felt confident of out-pacing the rioters this time

Nuts EXCLUSIVE!

All new Lamborghini!

The Aventador LP 700-4 – Lambo's first new model for eight years!

- The Reventón and Sesto Elemento concept cars aside, this is Lamborghini's first new model since the Gallardo in 2003.
- And boy, this is some replacement. The numbers next to the name signify the car's horsepower (a ludicrous 700bhp) and power train (their now standard four-wheel-drive powerplant).
- The important stuff: The engine's a naturally-aspirated, 6.5-litre, 700bhp, V12 thumper. It grunts the Aventador to a 0-62mph click of 2.9 seconds – edging into hypercar territory – and on to a top whack of 217mph.
- The main reason for these blistering figures is a super-light, all carbon-fibre, single-piece monocoque, which weighs 148kg in its entirety. Because of this, the whole car weighs just 1,575kg.
- The power's channelled through special "ISR" (independent shifting rods) transmission, making for a faster, lighter gearbox and what Lamborghini call "the world's most emotional gear shift". It's quick, that's for sure, at a 50 millisecond blip.
- The cool stuff: like its predecessor, the Murciélago, the Aventador has vertical-opening "Lamborghini doors". And you start it by popping up a missile-like starter button cover.
- The Premier League price for this Premier League car? On the road for £242,280 for late summer delivery. In time for close season, Mr Rooney!

It's Tool Academy topless!

The TV lovelies, minus uniforms!

Tool Academy was addictive can crash TV, starring a bunch of blokes for whom "tool" seemed a fairly forgiving label. They were also accompanied by some eye-catching other halves. So we wondered: [a] why these ladies are with these berks? and [b] how they'd look topless? No answer to [a], but we can answer [b]. Here are Aimee Luis and Becky Constantinou minus their other halves. Or tops. Result!

Prototype 2 first look!

Get your mutant freak on,
with more *Prototype* action!

OUR NEW HERO!

Soldier James Heller returns home to find his family lost to the Blacklight virus. Then an encounter with the first game's hero Alex Mercer leads to Heller's own infection, and fuels his vow to exact bloody revenge.

MORE MUTANTY!

The tendril attack is a favourite mutation of the developers. Drawing in multiple enemies before releasing a huge explosion of dismemberments is a joy to watch. The damage you cause persists even after the fight is over.

The original *Prototype* was a mutant-packed hoot, as you ran straight up skyscrapers, thumped monsters into next week and eviscerated tanks with a spawned, razor-sharp arm-blade. Well, we've seen the sequel, and it's even juicier!

There are up to 40 offensive mutations, a bigger, more varied New York City to run riot in, and a new face in town – battle-hardened soldier James Heller.

The game isn't out until 2012. But judging by this preview, it should be well worth the wait!

WORDS BY NICK-OLD

"I only asked for directions to Nando's!"

BLOODBATH!

"Is that Carlos Tevez?"

HELICOPTER HELL-RAISING!

Like the first game, if getting hands-on with an enemy gets tiring, just hijack a passing helicopter and unleash merry hell on your enemies with rocket and high velocity rounds. Boom!

NEW NEW YORK!

The explosions, the New York City environments and the eye-popping object damage have all been significantly ramped up and improved for this head-spinning sequel. Combat has never been so spectacularly satisfying.

"Who are you calling pizzaface?"

IMPROVISED WEAPONS!

Your mutations become improvised weapons, visibly adapting to become ever more menacing, twisted and vicious, the more you practice using them. One more killing spree for luck? Oh, go on then, if you insist!

BIGGER BADDIES!

The Behemoth is a truly terrifying, pulsating hunk of pre-lipo blubber. He wreaks flesh-melting carnage wherever he roams, and New York's going to need more than a hose and some Cillit Bang to clean up after this lot!

"Jesus, that curry was fierce!"

Battlefield 3

revealed!

World's first look at threequel!

DICE MAN!

They took hide and seek very seriously

"OK, let's do it! Let's get that cat down from that tree!"

at the moment, but this scene's quite early in the game, right at the start of the campaign.

We can see a cool-looking helicopter. How do they fit in?

The vehicles are a big part of the gaming experience, and that's true of *BF3*. In single player, we give you certain vehicles at certain times to ride in, but also to control – that's what makes it different from most shooters. You take control of tanks, helicopters and planes, as well as the infantry.

We can also see a chap blowing up a building with a rocket launcher – how destructible are the environments?

We want to create a totally destructible environment, rather than an environment that can just be "affected". But this image is actually showing an event that will be a specific objective – there's a guy hiding in this building. So, depending on the situation, you'll get objectives, or in multiplayer you can more or less take down any building to reveal the men behind it. How we put it is, "If you have a big gun, you can make a big hole!"

How big a part does teamwork play in *BF3*? Teamwork's always the thing in all *BF* games, and even more so in *BF3*. When you play, you'll be playing both as a team and alone in single player. But, the same thing applies in multiplayer, where you can choose to be part of a squad or play lone wolf and go wherever you want and not be responsible for anyone.

What are the biggest and coolest new weapons?

If you want a big, dangerous weapon, I'd pick one of the jet fighters, where you can fly around and cause havoc over big parts of the map. But there are counter-measures for each weapon, so no one should feel safe.

We read that you've even recorded guns being fired at different distances to make the audio super-realistic. Yeah, we recorded loads of weapons in open fields and compared them to ones fired in doorways

If you're into first-person shooters, you'll know DICE's work – they're the Swedish clever-clogs behind the super-popular *Battlefield* series.

We caught up with DICE head honcho Patrick Bach, who told us how they're bringing *Battlefield 3* to consoles, and which weapons are the best for destroying houses!

The game's not out till autumn, but that gives us plenty of time to save our pennies!

Hi Patrick! First up, can you tell us where *Battlefield 3* is set?

Well, the images you can see are set in Sulaymaniyah, a city on the border between Iran and Iraq. We can't really go into the details of the story too much

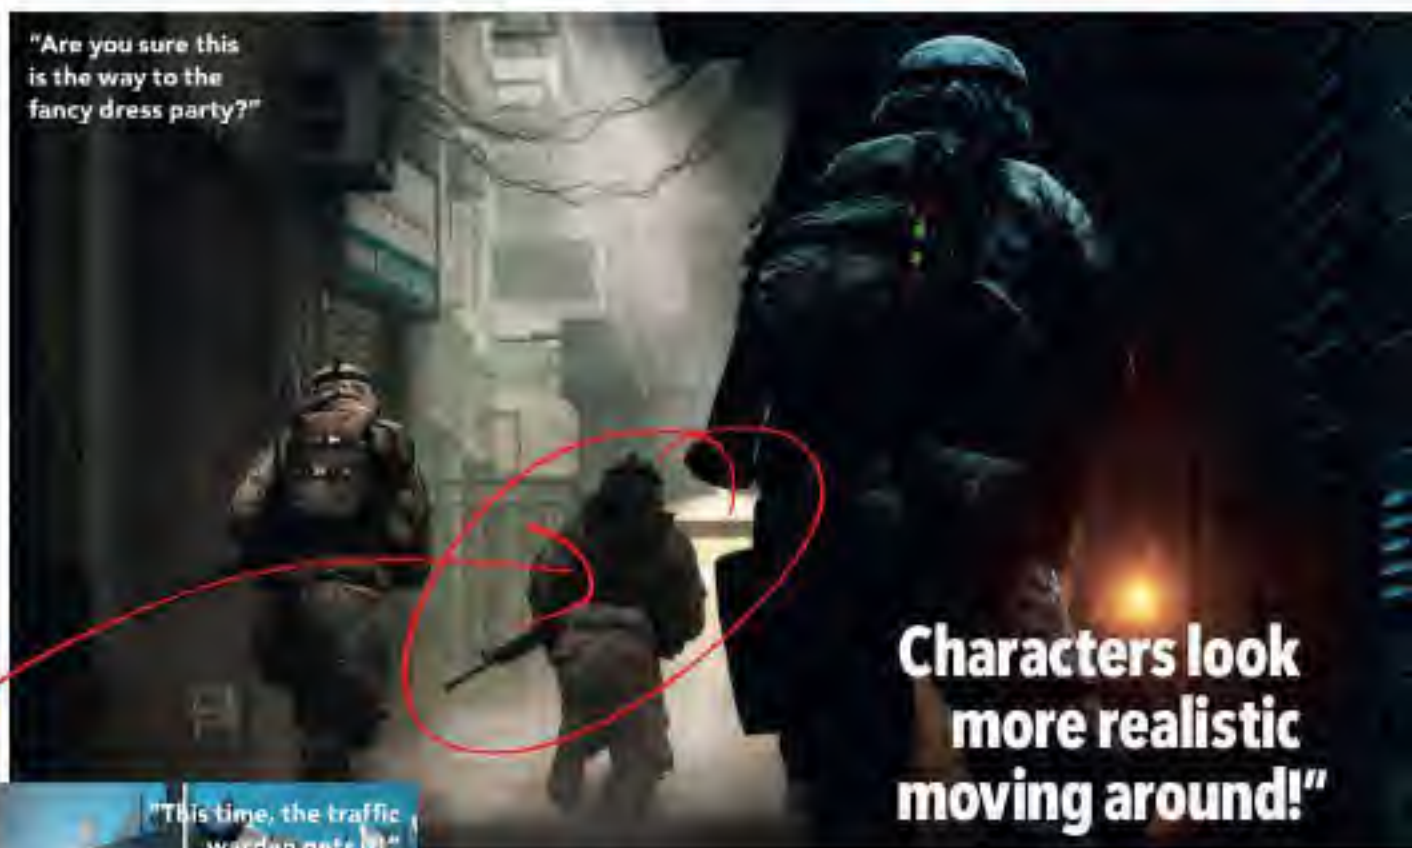

"Er, Terry – you know when you said don't press the red button?"

CARNAGE!

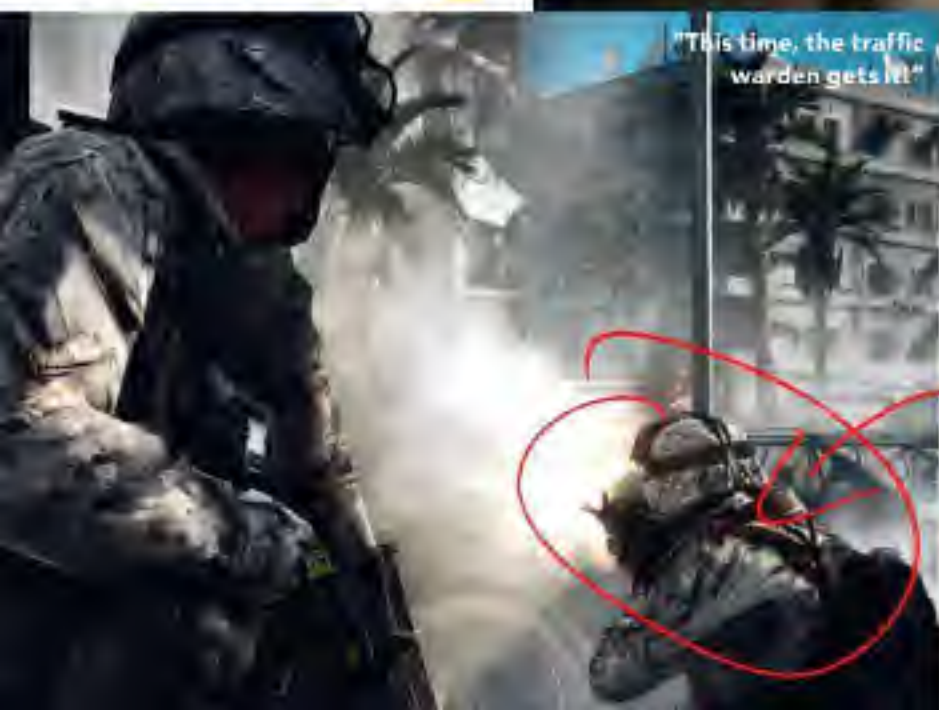

to make sure you get the right reflections of sounds. That adds to the immersion of using the guns – it just feels right. **Going online, how much can you customize the game?** Well, we underestimated the amount of time people put into our games. We have players for *Battlefield 2* who've spent more than 1,000 hours in the game. So, of course, those people want to unlock more stuff and get more rewards further into the game. You don't want to "rank out". I can tell you we've definitely learned a lesson!

How many players will be able to play online at once? We're capping the console at 24 players, compared to 64 on the PC.

"Are you sure this is the way to the fancy dress party?"

Characters look more realistic moving around!

"This time, the traffic warden gets hit"

and our goal's to make sure that experience will be intense enough for the console audience. **What cool stuff can you do with the new graphics engine?** One thing I think will make a big impression is the whole movement and animation system, making characters look more realistic when moving around on the battlefield. We actually looked around to find the best animation system and we found it within EA, in *Fifa*!

Finally, are you lot obsessed with war and video games? Us, or the Swedes in general? We have a lot of hobbies other than war! Ha-ha! Our country's probably the most pacifist in the world as we haven't been to war in more than 120 years, so I think there might be an urge to get it out of our system!

London Fashion Week – builders' verdict!

Gervais returns to *The Simpsons*

Ricky hosts an Oscars special, with Russell Brand!

It's awards season, so what better way for Springfield to lampoon cinematic backslapping, than with their own version of the Golden

Globes, hosted by Hollywood's rogue Brit-wits, Ricky Gervais and Russell Brand?

Gervais, who also starred in his own episode back in 2006,

took the chance to take the mick out of his own, edgy Golden Globes-hosting gig. And in this version, Brand turned up to dish out a gong. Nice one!

GERVAIS!

[RICKY SITS DOWN NEXT TO RIDLEY SCOTT]

Ricky: Hi - Ricky Gervais. Such an honour to meet you. I love your movies. Or as I call them... films. Glad I bumped into you actually, err, because, I'm looking to expand beyond comedy. [Cries heartily] I know what you're thinking, Sir Ridley, you're thinking [sobbing], "Oh, my word. He's been making me laugh all these years but now he's moving me as well, I'm going to have to put him in my new film." [Continues to wail] [Stops abruptly] What do you think?

Ridley: I'm a seat-filler.

Ricky: Well, why couldn't you have said that a minute ago? Don't take any of my ideas!

RIDLEY SCOTT!

[RICKY'S AT THE BAR]

Ricky: [to barman] Tanqueray gin and tonic, please... I'm paid to drink that in my movies. The amount's not important. A lot to you, let's be honest. Not so much to me.

Ricky: But you're going, "Wow, look at him, how much did that suit cost him?" Nothing, I got it for free - that's what happens when you're a celebrity

BRAND!

[RICKY'S BACK AT BAR]

Ricky: Look, OK, you missed it. I put a tip in there. A large one. Double digits. Ten. The lowest of the double digits, but nevertheless, ten. Dollars. So a lot of money to you. Less to me. But ten dollars, none the less. Look at it.

Bar tender: That ten? That was there before.

Ricky: It was not! Who else in here is going to tip ten dollars? Keith Urban? Helen Mirren? I don't think so. They don't have the common touch, do they, like me?

Ricky: "Helen! Helen!" She can't hear me. "Mirren!" Who does she think she is? Fur coat, no knickers!

[RUSSELL BRAND'S UP AT THE PODIUM]

Russell: It's great to be here with old friends I haven't seen since rehab. I'm just kidding. None of you are my friends.

Rosie Jones on the Cricket World Cup!

"I honestly don't know the first thing about cricket, but I'll be getting my boobies out during England's games for luck!"

JIM JEFFERIES!

GOES NUTS!

Warning: highly likely to cause offence!

"When I get throat cancer, remember it's not because of blowjobs!"

Totally made up

It's been revealed that women spend an average of £133,000 in their lifetime on looking good, blowing loads on cosmetics, face creams, Botox and stuff like that. A lot of the women were shocked when they found out they'd spent so much – although the women who'd had Botox seemed to take it pretty well!

Sorry Sepp

Sepp Blatter from Fifa hasn't been invited to Will and Kate's royal wedding. It seems he used to be a friend of Will's but since the failed World Cup bid, Will's still very cranky and won't allow him to come to the wedding. But maybe Sepp doesn't want to go anyway – maybe he thinks there's a better church than Westminster Abbey in Russia or Qatar! Fergie, Will's own auntie, isn't even invited – maybe they've got a buffet on and they need to keep costs down. Other family members haven't been invited. Harry's dad, for instance.

One lump or two?

A student in Newcastle got caught for actual tea-bagging – dunking his nuts in a lecturer's cuppa. I remember when it was enough just to draw a chalk c*ck on the teacher's back. These kids

are adventurous! I'm waiting for a teacher to ask her students where their pen has got to, and one of the girls pulls it out of... Well, you know!

What a state

Birmingham's got itself its own vigilante superhero! He's called The Statesman and, although he keeps his identity secret by wearing a mask, he's said in interviews that he works in a bank, plus he has a thick Brummie accent and a very distinctive beard, and weighs

about 20 stone – I bet his friends don't know what he's up to at night! Mind you, there's also a pretty good chance he doesn't have too many friends!

That sucks

Apparently, scientists have – amazingly! – revealed that oral sex (blowjobs, basically!) actually gives you a higher chance of getting throat cancer than

smoking cigarettes. I'd just like to state for the record that if and when I get throat cancer, it's because of the cigarettes, OK? To all the women who are now thinking of giving up oral sex, you can now choose to die in one of two ways – of throat cancer, or alone.

JOKE OF THE WEEK!

Little support!

A teacher starts her new job in Liverpool. She asks the class which of them support Liverpool and every child puts their hand up except one.

"Peter, who do you support?" the teacher asks.

"Man United, because my dad supports them and I want to be like him," replies the boy.

"That's no reason! What if your dad supported a team that wins nothing?" asks the teacher.

"Then I'd be a Liverpool fan," Peter replies.

The boy asks, "What did you arrest him for?"

Suddenly, a car pulls up and a guy steps out and says, "Arrest me now! I've had a few drinks and I'll never pass that test!"

That's old school!

A reunion's taking place for a group of 50-year-old blokes who haven't seen each other in ten years, and they decide to go to a particular restaurant as it has a sexy waitress.

Ten years later, the guys meet again and go back to the same place because the food was good.

Ten years pass and the guys return because the wine was good.

Ten years later, the guys return because they've not been there before!

Wet one!

A bloke dashes into a building to escape the rain, and it turns out to be a brothel. He sees three doors marked "Big boobs", "Small boobs" and "Medium boobs". He chooses "Big boobs".

There are three more doors, this time marked "Wet tw*t", "Dry tw*t" and "Tight tw*t".

He chooses "Wet tw*t",
walks through and finds
himself back outside!

IN OUR OFFICE!

Strings or no strings?

I've been seeing a girl for nearly a year in a "no-strings" style. Recently, though, I've had thoughts about us becoming serious. Is it wise to suggest we change the arrangement?

Paul, Telford

She must like you to have been doing that for so long, Paul. You should ask what she thinks, otherwise you'll never know. If she's not up for it, move on—you can do better than be with a girl who only wants you for sex!

Nuts BABES' SEX TIPS!

No.39: "Some guys try to do it all too quickly. You've got to make your girl feel really special and satisfied!"

Kelly Andrews

One-way traffic!

How would you feel if your partner steadfastly refused to give you oral sex, even though you love giving it to her?

Nick, Northampton

If you're in a relationship, the girl should be giving you oral sex as well. Ask her to try it because the more she does it, the more she'll enjoy it! After you've gone down on your girlfriend, tell her how much it'd turn you on if she did it to you in return.

Hefty problem!

I like girls to have a bit of meat on them but when I start dating them, they always become fat because of all the meals out. What can I do?

Pete, Wolverhampton

Suggest to her you both join a gym, then it looks like you're doing something together when really you're keeping your girl in shape without upsetting her. Or have lots of sex because that'll burn a lot of calories!

She's so rough!

During sex, my girlfriend always starts slapping and scratching me. How can I tell her to be gentle without annoying her?

Ivan, Ipswich

Tell her nicely that she turns you on in other ways and if that doesn't work, just be straight with her and say it's turning you off having such rough sex. Try holding her hands down or changing the position, or if you do her doggy style, you can get a bit rough instead!

"Have lots of sex and you'll keep your girl in shape!"

The specy *Inbetweeners* chap on his mum, Comic Relief and his new show!

Hi Simon! You've got a new show called *Friday Night Dinner*. Tell us what's it all about in one paragraph. One paragraph? A paragraph's quite long! God! It's about that thing, whatever age you are, when you go home to your parents, and you immediately begin behaving like a child. It's about how you never really grow up. That's a terrible explanation! It's set around the dinner table, where every Friday night, two sons come home to have dinner with mum and dad, and silly stuff happens. Hence, *Friday Night Dinner*. Yes. Thanks for that! The title does most of the work for me, to be honest. Do you still live at home with your parents in real life? Funny you should ask. My girlfriend and I have actually completed buying a flat together today!

So for a couple of months, yes, I've embarrassingly been living with my parents! Is your real mum as fit as your mum in *The Inbetweeners*? She's just a mum. She's a completely normal mum! In *Friday Night Dinner*, you have an annoying younger brother. Did you have an annoying brother growing up? I imagine I was both an annoying brother and had annoying brothers. A trick I used to play on my little brother was to hide around the house in the most unexpected places. I'd try to do it as late at night as possible and then I'd jump out at him to scare him. It carried on until it got to the stage where I promised I wouldn't do it any more because it was scaring him too much! How long ago was this? Last week! If you were having a celebrity *Friday Night Dinner* party, who would you invite? Er... I don't know. John Lennon, Ricky Gervais and Barack Obama. Aren't you worried that Gervais would scoff most of the grub? He's looking quite trim at the moment, so I think he'd have his share and leave the rest for us. You've also been driving around Britain with the other *Inbetweeners* looking for amusing place names for Comic

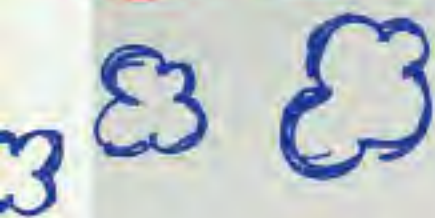

Relief. We reckon you've nicked that idea from the letters page in *Nuts*! It wasn't actually our idea – it was Comic Relief's. Maybe Richard Curtis [Comic Relief founder] has been reading *Nuts* and there's where he got it! What's the rudest-sounding place you visited? There were some good ones. Bell End in Worcestershire, Minge Lane, also in Worcestershire, Twatley in Wiltshire. There are some good places out there! The film's available on iTunes now, so I'd urge people to download it and raise as much money as possible. Before you were Will from *The Inbetweeners*, you were a bit of a stand-up comedian. Did you really get disqualified from a competition for cheating? Yes! It was at the National Student Comedy Awards in 2007. Revels sponsored the awards and they had this big load of ridiculous rules. For example, you weren't allowed to make any jokes about Revels. Then they extended it so you weren't allowed to make any jokes about any confectionery at all for six months after the competition, which I found a bit strange. So, basically, I ended up making a load of jokes about Revels and they disqualified me. Blimey! You also did the voice-over for the PC World adverts.

Did they give you any free stuff? Like a computer? No! That's it – my agent's fired! You were in something called Footlights at Cambridge. What's that? A comedy society. It was basically a bunch of losers who wanted to get into comedy. And your mate Joe Thomas aka Simon Cooper from *The Inbetweeners* was president of these Footlights? No, that's a complete falsehood! He was secretary, and don't forget it! He ran for president against yours truly and lost. He didn't even get vice president. Embarrassing! In America, giving someone "the bird" is a bit rude. Does this make things difficult when you're introduced to Americans? Er, it hasn't proved very difficult so far, but maybe I should start doing that more when I meet Americans. Ha-ha! Thanks, Simon. Finally, are you a specy briefcase mong in real life? Absolutely. And proud of it! I've left the briefcase at home today because I didn't have any files. I have a whole selection of them at home, though – one for every day of the week! ■

Friday Night Dinner is on Channel 4 on Fridays at 10pm. See www.comicrelief.com/inbetweeners for details about the Rude Road Trip

AS VOTED
BY YOU!

Great Britain! What a wonderful place you are and how proud you make us. Look at you, sitting there in the centre of the world like some sort of geographical behemoth. You truly are a beaming beacon of

hope, purity and joy. So what better way to salute and celebrate your sumptuous charm than by asking Nuts readers to vote for the fittest women on these fair isles? Well, we did just that, and here are the results. Hooray! ➔

100 JODIE MARSH
Tattooed, busty and, dare we suggest, maybe a bit naughty. Not that we'd know, obviously. What a top girl!

99 CHARLIE WEBSTER
The latest Sky Sports News hottie isn't shy about her knowledge of sports – or getting her kit off. Top girl!

98 JAIME MURRAY
The brunette babe has a habit of going topless on TV. Not that we're complaining. More of the same, Ms Murray!

97 ANNA FRIEL
Anna had the first lesbian kiss in soap history when she was on *Brookside*. We watched it. It was nice!

**96 JADE EWEN**

Jade's a member of the Sugababes. We think. Unless they've changed again? Oh, who cares? She's smokin' hot!

**95 CHARLOTTE CHURCH**

Churchy hasn't released a music vid for a while – which is a shame, because our copy of her last one has worn out!

**92 KATE MIDDLETON**

Kate will soon be as British as the Queen! Sort of. Anyway, we want more bikini snaps please. Thanks, ma'am!

**94 STACEY SOLOMON**

Who'd have thought she'd be the sexy star of *I'm A Celeb*...? Well, we would, actually, because she's lush!

**93 NADINE COYLE**

You know you're doing well when you're forming a group and the lovely Nadine isn't even the fittest girl in it!

**91 CHLOE MADELEY**

Regardless of how hot Chloe is, you couldn't date her. Her parents are Richard and Judy. It'd just be weird!

**90 LISA SNOWDON**

The bikini was actually designed to show off Lisa's perfect body. Well, not really, but it could have been!

**89 SARAH BYRNE**

In *Shameless*, Sarah played an aspiring model. We're hoping to persuade her to become a real one now!

**88 TINA O'BRIEN**

Coronation Street has delivered some top totty over the years, and here's one of the originals. Hi Tina! ➔

100 BRIT BABES

07 KIMBERLEY WALSH

79 MELANIE SLADE Theo Walcott's other half is one of the quieter WAGs around. Which is a shame, as she's a proper stunner!

86 SAMIA SMITH Here at Nuts, we still call her Samia Ghadie, just because we simply refuse to accept the fact she's married!

85 EMMA RIGBY Here's Emma taking a break from looking really sexy on TV to look really sexy by a pool instead! Top work!

84 GEORGIE THOMPSON
Sadly, we rarely see gorgeous Georgie without a desk in front of her! Have a word, Decl

79 MELANIE SLADE Theo Walcott's other half is one of the quieter WAGs around. Which is a shame, as she's a proper stunner!

78 TULISA Here's the lovely Tulisa with two of the biggest stars of N-Dubz. No offence to Dappy and Fazer, obviously!

77 ROSIE H-W Here's the main reason to watch *Transformers 3*. If you don't like robots that can turn into fire engines and radios!

76 CHARLOTTE MEARS Charlotte starred in a show about WAGs, and now models undies. Who says they can't have their own careers?

75 SIENNA MILLER
In *Layer Cake*, Sienna frolicked around in undies in a posh hotel room. Very much like she does in our dreams!

74 DANIELLE LINEKER While her husband's off flogging crisps, Danielle does something more exciting – she looks super-hot in a bikini!

73 EMMA WATSON She may have cut all her hair and moved to a different country, but this magical cutie will always be a *Nuts* favourite!

72 ADELE SILVA The soap babe's been off the radar a while, but she's back looking better than ever. We've missed you, Adele!

83 LEONA LEWIS
 Lovely Leona has spent a lot of time in the States since winning *The X Factor* in 2006. Come home soon. Please!

82 NIKKI SANDERSON
 Nikki owns the cutest little button nose the world has ever seen. She was also in *Corrie* for a while, apparently.

81 ROCHELLE WISEMAN
 We like *The Saturdays*. Mind you, we like any group of three or more women who wear as little as they do!

80 ALESHA DIXON
 Alesha released a song about a boy who sat around all day doing nothing. We like to think it was written about us!

71 JESSICA SPENCER
 We think Jess may have been looking for her contacts in this pic. We were too distracted to help! ➔

70 PORCHIA WATSON
She sometimes pops up in *The Only Way Is Essex*, and sometimes in the *Nuts* office. We much prefer the latter!

69 AMY CHILDS
The Only Way Is Essex babe hasn't gone topless like her pals, but we still think she's ace. Just look at her!

64 ABBEY CLANCY
What a lucky blighter Peter Crouch is. As if being a top footballer isn't enough, he's also got the lovely Abbey!

59 JASMINE
She hasn't done too many shoots with us yet but, needless to say, we're excited to see more of sexy Jasmine!

68 LOUISA LYTTON
Thankfully, Louisa has ditched her police uniform and gone back to wearing more revealing stuff. Hooray!

67 SARAH HARDING
She's the boozy-ish, floozy-ish one from *Girls Aloud*, which we reckon just about makes her our favourite!

66 LACEY TURNER
EastEnders just seems like a lot of arguing and crying to us, but this pic doesn't make us want to weep!

65 ROXANNE PALLETT
We've seen Rox's nude scene in *Lake Placid 3* loads of times. We're still unsure what the rest of the film's about!

63 KEIRA KNIGHTLEY
Arguably the poshest-speaking Brit in our top 100, Keira's a hit over here and in America. Good going, Keira!

62 HELEN FLANAGAN
If only *Corrie* was filmed somewhere hot and on a beach, then we'd see Helen looking like this more often!

61 APRIL SUMMERS
April shares a name with a famous "erotic actress". We wouldn't recommend looking her up at work, but she's fit!

60 JORGIE PORTER
The sexy Miss Porter wowed us with her last photo shoot. And we want to see more of her very soon indeed!

58 KARA TOINTON
We spent a fortune voting for Kara on *Strictly Come Dancing* just so we could watch her every week!

57 HANNAH TOINTON
Hannah burst onto our screens last year as Tara in *The Inbetweeners*. We want to see much more of her this year!

56 LIZ HURLEY
The very British Elizabeth doesn't like being called Liz. So we just call her "that fit lady from the films"!

55 STACI NOBLETT
Perky of face and figure, Staci's one of our fave cheeky blonde lovelies. And we don't care who knows it! ➡

54 MARIA FOWLER
If all Essex girls looked as good as Maria, we'd be grabbing our maps and going out there every night!

53 GEMMA ARTERTON
Seen here in one of her more covered-up moments, Gemma's usually found half-naked in films. We approve!

52 NATALIE BLAIR
Thankfully, the lovely Natalie's no relation to Tony. And even if she was, we'd still fancy her, to be honest!

51 CHARLOTTE HERBERT
Charlotte says she's missing someone to be her regular snogging partner. Queues start at Land's End!

49 KITTY LEA
Ever wondered what happens to the sleeves they cut off body-warmers? Kitty may well have an idea here!

48 FRANKIE SANDFORD
We'd like to find whoever designed Frankie's boob-revealing top, and shake him by the hand. He's a hero!

47 JENNIFER METCALFE
Jennifer's the sole reason we're addicted to *Hollyoaks*. And it's not just for her acting skills, obviously!

46 SABINE
The original Sabines were women the Romans tried to kidnap 'cos they were so fit. This Sabine's not bad either!

44 VIKKI BLOWS
The only woman in the glamour world whose name alone invites the response, "No she doesn't, she's lovely!"

43 ZOE SALMON
Once upon a time, she was on *Blue Peter*. Now she's in *Nuts* in a clingy cozzie. Now that, dear reader, is progress!

42 RACHAEL CORDINGLEY
Straight out of Liverpool and one of the hottest properties around. Unlike that Torres lad!

41 DAISY WATTS
Daisy's diary: Monday, party; Tuesday, party; Wednesday, party; Thursday, party; Every day, look great!

50 ROXANNE MCKEE
Hollyoaks, where would we be without you? Well, we'd be here, only with a lot less to look at in terms of TV hotness!

45 SAM KELLETT
 Is she putting her vest on or is she taking it off? All that matters is gorgeous Sam's in a state of undress!

40 AMY GREEN
 We always think Ms Green looks divine in white, but it also helps if it's a small, ripped-up T-shirt and a thong!

39 LACEY BANGHARD
 She's British, beautiful, brunette and big-boobed. Oh, and her surname's Banghard. She's bloomin' brilliant! ➔

38 GEMMA MERNA
Booby TV queen Gem says she wants her *Hollyoaks* character to have more sexy storylines. We totally agree!

37 SAM FAIERS
We asked if we could see Sam's vajazzle. She said no. Still, we don't mind, as we don't know what a vajazzle is!

36 HOLLY WILLOUGHBY
"Willobooby" recently celebrated her birthday and she kindly gave us a gift. Her, in a bikini! How did you know?

34 SAMMY BRADDY
Sammy's boobs are proof enough that there's a higher power at work in the world. Yes, they're that good!

33 LEAH FRANCIS
Leah's a favourite here at Nuts Towers thanks to her love of partying, as well as her perfect boobs! Hooray boobs!

31 KIRSTIE PATTERSON
New *Nuts* girl Kirstie sounds like Cheryl Cole, which is good. And she has fantastic boobs, which is also a plus!

30 CHARLOTTE JACKSON
If Charlotte gave us the sports headlines while wearing this, we think we'd weep with joy!

29 EMMA GLOVER
Look up "perfection" in the dictionary and there's a picture of Emma Glover's bod. Well, there is in ours anyway!

28 KATIE-MARIE CORK
Katie-Marie's visits to Nuts Towers always manage to cheer us up. Especially when she dresses like this!

35 DANNI WELLS
As well as being ridiculously hot, Danni's an actress – look closely and you can see her in *Transformers 2*!

32 IMOGEN THOMAS
We were pleased when *Big Brother* finished, but this pic of Imogen reminds us why we liked it in the first place!

27 KELLY ANDREWS
Kelly says her boobs are so big, they're the first things guys see when she's out. We hadn't noticed. Honest!

26 ELLE
If you're looking at this and thinking there's a bit too much pink in the picture for your liking... focus, man! ➡

25 DANIELLE LLOYD While Dani's never gone properly topless in our mag, we've seen her boobs in all their glory – they're amazing!

24 CHERYL COLE Rumour has it Chezza's decided to head to America. If she stays over there, we'll never forgive you, Ashley!

23 KATIE GREEN Katie was once told to lose two stone by a modelling agency. Thankfully, she didn't listen. Good on you, Katie!

22 CHLOE SAXON The finest Sheffield export since *The Full Monty*, Chloe's got the Nuts look down perfectly. Good girl!

20 DANICA Animal-lover Danica has a dog she calls "Willie Woozles". She makes us feel woozy when we look at her!

19 KATE BECKINSALE For some strange reason, British hottie Kate lives in California these days. Oh well. We love her anyway!

17 SOPHIE HOWARD Every time we describe Sophie as "a bit naughty", she comes into Nuts to punish us. Which is really why we do it!

21 SEREN GIBSON
With her big brown eyes, big brown hair and big brownish boobs, Seren is... Well, she's a bit fit, really!

18 PETA TODD
One of our favourite ladies in all the world, she's sexy, she's talented and... well, just look at those boobs!

16 KELLY BROOK
Sexy Kelly has been flying the British flag in the US recently. Oh, and happily getting her kit off as well!

15 EMMA FRAIN
Lovely Emma tried to set two of our staffers up 'cos she didn't want them to be lonely - they were both blokes! ➡

14 JESSICA-JANE CLEMENT

JJC has become a huge favourite with *Nuts* readers. It's not hard to see why!

13 GEMMA ATKINSON

Soap babes don't get much hotter than Gem. Like *Mary Poppins*, she's practically perfect in every way!

12 INDIA REYNOLDS

India's a smart girl. She gave up studying criminology and sociology to become a model. Double thumbs up!

Here she is, chaps! Your queen of hotness and all-round beautiful Brit babe, Lucy Pinder! **Hi Lucy! How does it feel to be voted Britain's sexiest lady?** It feels great! I'm excited! I love that I've won. Thank you for giving me this award. **Nuts readers!** I'm flattered. It's a very unexpected award as well but it's really made my year already! **Who do you think's the sexiest Brit after yourself?** Oh lord, there are so many out there! It's hard to pick because there are models, actresses and all sorts

of lovely ladies to choose from. Obviously, the *Nuts* girls rank very highly, like Rosie. I'm glad I've won this for the *Nuts* girls! **What's your favourite thing about Britain?** There are loads of hot British women! I've got a girl crush on so many girls. I've got way more girl crushes than guy crushes. Michelle Keegan's very pretty, isn't she? **How will you celebrate?** I'll definitely be having a glass of wine or two this evening for the *Nuts* readers. I'm not a big party girl, but I'll treat myself to at least a spritzer to celebrate!

Give us your best Oscars-style acceptance speech. I'd like to thank my mum and dad for creating me! I've won it a few times now, so I'll be very sad if I don't win it next year! **What are you planning to do to make sure you're still number one next year?** I'll do my best to make sure I'm still number one by doing even sexier shoots and,

hopefully, even more of them. I'll make sure I take good care of myself as well, so I'm still looking sexy this time next year! **Glad to hear it! Have you ever won a rubbish award?** The only one I can think of is when I won a Christmas card competition! You had to design a card and I won, which is pretty rubbish! **Thanks, Lucy! Finally, do you have a message of thanks for the thousands of *Nuts* readers who voted for you?** Thank you very much for voting for me again! I mean that. Lots of hugs and kisses! Love Lucy! ■

Liverpool vs Man United maddest moments!

Strap yourselves in for Sunday's showdown – it could get nasty!

They don't come much bigger than Liverpool against Man United, and it doesn't look as though this weekend's head-to-head

clash between the bitter rivals will be any different!

Over the past few years, the game's thrown up red cards galore, two-footed tackles

aplenty, and even managers duking it out on the touchline!

With Liverpool's record signing, Georgie mentalist Andy Carroll, set to be thrown

into the mix as well, it should be an absolute cracker. So to mark the occasion, here are some of the north-west derby's most infamous red-mist moments!

"Hi mum!"

BIG DERBY!

Liverpool vs Man United

Sunday 6 March, 1pm, Sky Sports 1/HD

STEVIE'S SMOOCH! MAN U 1 LIV 4 MAR 2009

In one of the most memorable matches between the two giants, Liverpool went to Old Trafford and absolutely battered United, with Nemanja Vidic getting his usual red card, and Stevie Gerrard giving a Sky camera a full-on snog after bagging a goal!

**BOILING
POINT: 3**

"Argh! I didn't realise the badge was pinned on!"

NUTTY NEVILLE! MAN U 1 LIV 0 JAN 2006

When the two red teams met in this crucial game, United defender Gary Neville lived up to his Liverpool-hating rep by celebrating Rio Ferdinand's last-gasp winner in front of all the opposition fans, kissing his badge and basically going bonkers!

BOILING POINT: 4

"Is it because he's ginger?"

SCHOLES SEES RED! LIV 0 MAN U 1 MAR 2007

John O'Shea was the unlikely hero in this game. The defender notched an injury-time winner to break Liverpool hearts. But United man Paul Scholes remembered the true meaning of the north-west derby by getting sent off for a shocking tackle!

BOILING POINT: 2

"No, I won't just send Lucas off instead!"

MASCH GOES MAD! MAN U 3 LIV 0 MAR 2008

Argentine Javier Mascherano got his first red card against United after losing the plot with referee Steve Bennett. After getting a yellow, the pint-sized midfielder refused to leave the ref alone until Bennett finally had enough and sent him on his way!

BOILING POINT: 3

"Never mind the card – I've forgotten to record EastEnders!"

DOUBLE TROUBLE! LIV 2 MAN U 0 OCT 2009

In a huge clash at Anfield, Liverpool upset the then-Champions by seeing them off in a 2-0 win, but not before Javier Mascherano was sent off for a bad challenge, and Nemanja Vidic also got his marching orders – his third red card in a row against Liverpool!

BOILING POINT: 5

"Double cheeseburger and fries, please!"

MAD MANAGERS! MAN U 2 LIV 1 MAR 2010

Sir Alex Ferguson and then-Liverpool manager Rafa Benitez never liked each other, and they squared up during this one after Rafa accused United's Antonio Valencia of diving to win a penalty. Luckily there was a fourth official around to separate the two of them!

BOILING POINT: 3

"Sorry, Michael – I've just followed through!"

GERRARD'S LUNGE! MAN U 1 LIV 0 JAN 2011

When the two teams met at Old Trafford in the third round of the FA Cup earlier this year, there was controversy galore, and Steven Gerrard set the tone by getting his marching orders for a two-footed tackle on United midfielder Michael Carrick!

BOILING POINT: 3

Nuts!

He's the voice of the fans – and he's only in *Nuts*!

We're in for one of the best title races yet!

I love this time of the season, when every game seems to have something resting on it, and while Arsenal and Man United appear to be the only teams left with a realistic chance of winning the Premier League, I'm not ruling out Man City and Chelsea just yet!

"Arsenal will still have a big say in the title race!"

There are always twists and turns when you get to March, and I think this has been one of the best Premier League seasons ever, perhaps not for overall quality, but because teams like Blackpool have turned things on their heads and shown that anyone can beat anyone.

For me, Arsenal really should have bought a couple of players in the January transfer window. Why Arsene Wenger didn't feel he needed anyone is beyond me, especially when you look at the

fixture pile-up they have to face now, and the fact that injuries to the likes of Walcott, Van Persie, Nasri and Fabregas have left their squad looking threadbare. They're still going to have a big say in the title race, though, and I think they could do it.

As for Man United, they just don't look like the team we've all known and admired for their attacking flair over the years, yet they're so hard to beat and top of the table, so how can you argue with their results?

Their draw against Marseille last week was a tidy summation of their campaign – defensively almost unbeatable but no real flair from a midfield including the disappointing Gibson, Carrick and Fletcher.

I know Man City and Chelsea are a little off the pace at present, but both teams can make up the ground if Arsenal and United slip up – and I believe they will! I'm definitely not putting my hard-earned cash behind any team yet. It's too close to call!

"Nice moobs, Fab!"

SUPER SCHOLES

I was delighted to see Paul Scholes get another year's contract extension. Alongside Ryan Giggs, he's still the best player in Man United's squad!

**UNBELIEVABLY
BAD!**

HARD LUCK!

What a shame Claudio Ranieri got sacked by Roma last week. You really couldn't meet a nicer man. Let's hope he returns to these shores soon!

**Fernando will
come good,
eventually!**

Fernando Torres still looks a shadow of the player that made his name at Atletico Madrid and Liverpool. I sympathise with him because when he moved, he was low on form, playing for a team low on confidence; moving to a team that was also low on confidence and he had to play his first game for his new team against his old team! I'm sure he'll come good and score a lot of goals for the Blues, though – class is permanent!

"Maybe I'll do better with one eye shut!"

**DRAW

That's a corker, Paul! Keep them coming, people!

1 CHELSEA VS MAN UNITED

1 MARCH, 7.45PM, SKY SP2/HD

"I fancy Chelsea for this one. United haven't looked decent away from home all year, and Chelsea will improve as the season comes to a close."

KAMMY SAYS: 2-1

2 MAN CITY VS WIGAN

5 MARCH, 3.30PM, ESPN/HD

"I can't see anything other than a home win here. City are far too strong for Wigan, and I'm not ruling them out of the title race if Mancini gets his team right."

KAMMY SAYS: 3-0

3 LIVERPOOL VS MAN UNITED

6 MARCH, 1.30PM, SKY SP1/HD

"Two huge games in a week for Man United, and I can't see them winning either, I'm afraid. Liverpool will raise their game, and I think Suarez will score."

Not sure what the census is? Basically, every ten years, it collects information about the people living in England and Wales to help the government plan vital services like hospitals. After 100 years, this information is released to the public for people who want to trace their roots. How cool is that?

You can also check out gorgeous *Nuts* girl India Reynolds showing you how easy it is at www.nuts.co.uk/census

CONFESSION OF THE WEEK!

'I offered to be his nurse'

I went back to my old work for a few weeks and instantly made friends with a new accountant who had joined the firm. We'd flirted constantly during my time there but on my last day, he wasn't in the office and I was gutted. That night, feeling brave, I found him on Facebook and sent him a saucy message. He replied within minutes, explaining that he'd twisted his ankle the night before and had called in sick. Overcome with "sympathy", I offered to be his nurse. I was so nervous by the time I arrived at his house but I couldn't wait to give him a full examination. While he rested his leg, I offered some much-appreciated oral relief with my lips, and even climbed on top of him so he didn't have to move. I ended up riding him on the sofa while he watched us in the mirror behind me. Hardly standard medical practice, but the patient certainly wasn't complaining!

Jodie, Southwark

'We got it on in the woods'

I've always fantasised about getting frisky in a public place, so when my boyfriend and I decided to go for a walk on a hot summer's day, I took the

opportunity to lead him into the trees. We could still see people walking around but we were hidden in the dark of the woods. I quickly unzipped his jeans and crouched to give him some special attention. Then I turned and lifted my skirt,

holding onto a tree while he took me from behind. As his hands wandered southwards and he started touching me, I couldn't help but cry out in pleasure. To this day, we're not sure if anyone saw us but I love the idea that we were spotted. If you ever visit Cheddar Gorge, look for a tree with the initials "LM" and "ML" carved into a tree and think of me!

Loran, Portsmouth

'Her eyes were undressing me'

I work with a hot girl at our local leisure centre and a rumour went round that she was gay. Being the inquisitive type, I was eager to find out if it was true, so one day after work, I invited her to join me for a session in the steam room. Seeing her hot body in a bikini made me moist in areas which the steam wouldn't normally reach. Sitting opposite me, I watched her eyes undressing me. Helping her out, I slowly undid my bikini top, revealing my hard, sweaty nipples. Her eyes lit up with excitement. We were both getting turned on enormously, with the extra thrill that anyone could walk in on us. Her hand started gliding up my thigh and I was getting wetter and wetter by the second - not just from the sweat! My hands had a mind of their own, wandering under her bikini top. I felt her moist, soft lips on my nipples - it felt like heaven. Now I know the

rumours are true, we've planned another steamy session for next week. I can't wait!

Amie, Essex

'The bed collapsed'

One day, my man and I went to the pub for a boozy afternoon. We started getting horny and I played footsie with his bulge under the table. We raced home and as soon as we got through the door, we ripped each other's clothes off and made for the bedroom. I took him in my mouth and before I knew it, he had me bent over the bed. We were at it like rabbits, not caring who could hear us, when the bed suddenly collapsed! As we looked around, we were actually on the other side of the bedroom - we'd moved the whole thing. We just laughed and carried on. Our bed was a total write-off and it cost us a few quid, but the fun we had that day was worth every penny. I wonder how long this new bed will last? Hopefully not too long!

GAMES!

Pokémon B&W is Japan's fastest-selling DS game ever

POKÉMON BLACK & WHITE NDS

The monster-catching juggernaut rumbles on, with bells and whistles added, including 156 new Pokémon, three-on-three

battles and completely reworked graphics. Online scrapping's been tweaked and improved, as has sharing your wee monsters. It's candy gaming, as ever, but still the consummate portable time killer. Well worth a play! ★★★★★

DEATHSMILES XBOX LIVE ARCADE

XBOX LIVE

Scrolling 2D shooter that appeals to casual (us) and hardcore (bed-wetting) gamers alike, with difficulty levels rising alongside high-score possibilities. Something for everyone! ★★★★★

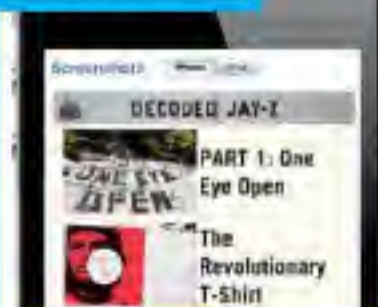

LORD OF ARCANA PSP

A multiplayer online monster-battler – sound familiar? It has new magic and spells, but frankly, it's no Monster Hunter. ★★★

APPS!

JAY-Z DECODED IPHONE, IPOD TOUCH, IPAD

Top app that promises to unlock the meanings behind the hip-hop legend's songs. It also features interviews and the latest Jay-Z news. ★★★★★

RBS 6 NATIONS RUGBY IPHONE, IPOD TOUCH, IPAD

With the tournament now in full swing, go into egg-chasing overload with this, featuring live scores, commentary, stats and videos! ★★★★★

DVDS/BLU-RAY!

England's three victories were all won by more than an innings

THE ASHES SERIES 2010/2011: BOX SET CERT N/A DVD

Forget all about England's dismal one-day series in Australia and feast your eyes on over nine glorious hours of highlights,

interviews and general Aussie-bashing, documenting the important stuff – England's first Ashes win in Australia for 24 years. It also includes a brilliant, 90-minute behind-the-scenes documentary. Awesome! ★★★★★

PARANORMAL ACTIVITY 2 CERT 15 DVD & BLU-RAY

After the first *Paranormal Activity*, we slept with the lights on for weeks. And guess what? This one's even scarier! ★★★★★

DUE DATE CERT 15 DVD & BLU-RAY

Robert Downey Jr is an expectant father on a calamitous road-trip, hoping to make it home for his kid's birth. Chortles aplenty! ★★★★★

EPISODES CERT 15 DVD

Comedy series about two writers remaking their Brit TV series in the US. *Friends* bloke Matt LeBlanc stars as himself! ★★★

MUSIC!

BEADY EYE DIFFERENT GEAR, STILL SPEEDING

Yes! The Oasis members who aren't Noel regroup for an album of big, fat indie rock anthems, not unlike Oasis. Result! ★★★★★

JESSIE J WHO YOU ARE

The distinctly saucy Ms J weighs in with a debut set of urban-friendly hip-pop, such as the naughty hit *Do It Like A Dude*. ★★★★★

MOVIES!

Made for £20m by the producer of *Die Hard* and director of spooky horror *Orphan*

UNKNOWN

CERT 12A

Liam Neeson returns with more fighty heroics, like an older, craggier, Irish-er Jason Bourne. The *Batman Begins* star plays a top boffin who, following a car smash, loses his memory. With his missus (January Jones from *Mad*

Men) and identity stolen it's time to get even and rediscover who he is. But things are never what they seem in a thriller with more twists and turns than an F1 track that's been tied in a granny knot. Fans of *Taken* are gonna love this! ★★★★★

THE ADJUSTMENT BUREAU

CERT 12A

Billed as *Bourne* meets *Inception*, a politician (Matt Damon) and a ballet dancer (Emily Blunt) try to outrun their fate in a weird and wonderful sci-fi romance that does *The Matrix* on the streets of New York. Bonkers! ★★★★★

PUB AMMO ON... PIES

Blumenthal's miniature waiters were cute but ineffective
